Technical Fact Sheet

NAME: WHEEL & RIM CLEANER (HP-470)

DESCRIPTION: An ultra-concentrated, tire and wheel cleaner with powerful cleaning and a foamy application allowing for extended dwell time. Rubber tires and wheel rims leave the wash looking clean and sharp.

BENEFITS: Safe: Powerful cleaning yet safe on all tire and rim surfaces including polished surfaces.

Foaming Application: Foam additives enhance the visual application of the product and also allows product to cling to the surface for increased performance.

EcoLogo^M Certified: In order to promote the use of more environmentally responsible products and services, the Environmental Choice^M Program was established in 1988. The Environmental Choice^M Program is Canada's only national and comprehensive eco-labeling program. The **EcoLogo^M** is the recognized seal of approval of the Environmental Choice^M Program.

PACKAGING: A 5-gallon plastic carboy.

DILUTION: The target dilution is 15:1 to 20:1 and should be applied under low pressure.

NOTE: Consult your local Turtle Wax distributor for complete information on the wide range of dilution options for this product. Actual dilution or chemical usage may vary based on desired results.

SPECIFICATIONS:

Appearance:	An orange liquid
Fragrance:	Citrus
pH:	13-13.7
Density:	9.01 lbs/gal
Emulsifier:	Nonionic
DOT Labeling:	Corrosive, PG III
